

Dear Prospective Parents,

Thank you for your interest in Trinity International Schools. We are comprised of [Elementary School](#) (grades K-5), [Middle School](#) (grades 6-8), [High School](#) (grades 9-12), and Early College, which integrates college grades 13 and 14 into the final two years of high school.

Since 1978 Trinity Christian Schools has provided students in Metropolitan Las Vegas with a superior faith based education. The junior/senior high school has changed its name to Trinity International Schools and is adding Grades K-6 to our comprehensive program. Everything about Trinity will remain the same except that we will no longer be supported by one church. Trinity International Schools is seeking the support of many Christian churches and is establishing itself as interdenominational faith based ministry.

Trinity High School has been Nationally Accredited by Northwest Accrediting Association of Universities, Colleges and Schools since 1991. This accreditation allows our students the very best opportunities to go to the finest colleges and universities in the USA and abroad. We are proud of our academic excellence. Over 90% of the Trinity High School graduates go onto attend the University or College of their choice. Over 50% of each year's graduates qualify for the Nevada State Millennium Scholarship of \$10,000 to complete their education in Nevada. Forty percent of our Junior/Senior students participate in Trinity's Early College program and 25% of them graduate with sixty completed college credits. Trinity graduates have achieved recognition as a National Merit finalist and semi-finalist (top one-percent in the nation) and Presidential Scholars are awarded annually at our Academic Recognition Night.

Visit Trinity International Schools and you will not only see the difference *you will feel the difference!* Trinity is family --- you will find an atmosphere of caring and concern that encompasses character development and spiritual growth. It is a place where developing lifelong learners is our mission. Families enroll their children at Trinity International Schools for smaller class size, full day kindergarten, and a staff of qualified teachers and administrators. As a [Nevada State](#) licensed private school which is also accredited by [Northwest Association of Accredited Schools, Universities and Colleges](#), we are required to hire Nevada qualified teachers. Junior/Senior High School teachers are qualified by holding endorsements in the core content areas in which they teach.

The purpose of Trinity International Schools is to *educate and develop the whole person for the glory of God*. We believe that every student should be given the opportunity to develop spiritually, educationally, physically, mentally and socially. The school adheres to Biblical principles in its teaching and Student Code of Ethics.

Annual Tuition*

Based on 180 school days

*Tuition includes book a rental fee but does not include uniform, supplies or misc. items.
