We are pleased to announce that the **Fifth Annual Golf Tournament** supporting the **Trinity Educational Foundation** will be held **Tuesday November 17, 2009** at the Badlands Golf Club.

Trinity Educational Foundation is a tax exempt non-profit foundation created to support programs for children in grades Kindergarten through twelve an opportunity for an outstanding moral and ethical based education in order to promote academic excellence, integrity of character and leadership for our community and beyond. We accomplish this by providing financial assistance to students who would not otherwise be able to attend Trinity International Schools and by purchasing curriculum materials, library resources, technology enhancements, sports equipment, and athletic uniforms for student programs.

We are asking your support for this opportunity to benefit the youth of our community and to invest in our leaders of tomorrow by making a tax deductible donation in support of our golf tournament. The levels of sponsorship available are:

- **Tournament Sponsor @ \$10,000** – which includes a banner with your corporate name and logo at the Club House, promotion in our advertising and program, 1 tee sponsorship, plus 4 player registrations for the tournament;
- **Corporate Sponsor @ \$5,000** – which includes a banner at the Club House, promotion in our advertising and program, and 4 player registrations for the tournament;
- **Tee Sponsor @ \$1,000** – which includes signage at one Tee Box with your company name and logo and recognition in our program

Should you have questions regarding sponsorship or participation in this event, or additional information about Trinity Educational Foundation, do not hesitate to contact Jed Hoefer at (702)743-1217 or Laura Montonini at Trinity International Schools office at (702) 732-3957.

We appreciate your support in helping provide educational opportunities for deserving young people in our community.

Sincerely,

Gail J. Anderson
